EPRESENTING the above well known houses for the State of Georgia, we will put in order and ship Cotton from any section of the country, making liberal advances and speedy returns. The reputation of these houses will insure the most favorable negotiation of Exchange on New York, Liverpool and London.

By our advertisement, it will be seen that we keep expressly for the trade, a Large Stock of GROCERIES, of all kinds, HATS, CLOTHING, BLANKETS, LINENS, &c., &c., which we will sell as cheap, and in many instances lower, than can be bought in Louisville and Cincinnati. We propose to Merchants holding Cotton to make them advances in Cash or

Goods, and sell or ship their Cotton to any of the above points, thus giving them the advantage of Augusta, New York or Liverpool markets. An investigation of the above will prove that our facilities for doing business with any section are the very best, and the advantages we possess for making advances in Goods or Cash are probably superior to any one in the State.
